QUARTERLY SYMPOSIUMS

DRIE holds 4 Symposiums per year typically in January, March, June, and December. The December Symposium includes official DRIE Toronto AGM activities including a report on the past year and plans for the future year. We also look to focus one of our Symposiums on 'C – level' subject matter to attract more senior executives from companies. DRIE Sponsors are eligible to participate at various degrees based on their sponsorship level. Participation details are described below:

Acknowledgement – All sponsors will be acknowledged by the meeting facilitator.

Note: For National Sponsors this will occur across all Chapter meetings.

Table-top Display - National, Gold and Silver sponsors have the opportunity to have a table-top at each symposium. The Sponsorship Director will send you a Symposium Registration Package prior to each symposium. Display rules vary depending on the venue and will be detailed in the registration package.

Sales Support Staff - National, Gold and Silver sponsors have the opportunity to bring up to two (2) sales support staff to the event.

Note: For National Sponsors this will occur across all Chapter meetings.

Logo on Agenda - National, Gold and Silver sponsors will have their company logo printed on the meeting agenda which is distributed at each meeting.

Note: For National Sponsors this will occur across all Chapters for each Chapter Annual Symposium.

Sponsor Introductions - National, Gold and Silver sponsors also have the opportunity to address the attendees. At the start of each Symposium you will be given an opportunity to address the attendees for up to 2 minutes to introduce your company and any products or services that you offer. We feel it is important that DRIE Members stay current with available products and services.

Sponsor Logo Loop - During lunch and breaks, a PowerPoint presentation will be playing as a loop of all sponsors, including contact information and the Sponsor logo. Each level of sponsorship will remain on the screen for a designated amount of time (ie. National and Gold = 1 minute per exposure, Silver = 30 seconds per exposure, Bronze = 15 seconds per exposure). The loop will continue throughout the break, which may result in your company being displayed multiple times while the loop is running.

Note: For National Sponsors this will occur across all Chapter meetings.

Speaking Opportunity - National and Gold sponsors have the opportunity to be part of the agenda at one (1) of the four (4) Symposiums throughout the year. As the Theme for each Symposium is established, you will receive a notice from the Program Committee announcing each theme. The Program Committee will consider topics that support the Theme of the Symposium and are not sales oriented. This is a great opportunity for your company to gain additional exposure and show your support for DRIE Toronto. If you have a topic that supports any symposium Theme, please submit it to the Program Director at program@toronto.drie.org.

Note: For National Sponsors this will occur across all Chapter meetings.

Guest Passes – From time to time you may wish to invite a guest to attend the Symposium. Guest passes have a value of \$35.00 each. National and Gold Sponsors are entitled to invite up to 10 guests per year, Silver Sponsors up to 8 guests per year and Bronze Sponsors up to 4 guests per year. Guests will still need to register. The Sponsor Registration Form you receive from the Sponsorship Director will include a section for you to register guests.

Sponsor Brochures – National, Gold and Silver Sponsors may distribute brochures at the event. Either bring them with you or send them to the Sponsorship Director in advance of the Symposium.

Note: For National Sponsors this will occur across all Chapter meetings.

F&B Sponsorship Opportunities – During any Symposium there is typically food and beverage (F&B) being served. Sponsoring the F&B for events can provide additional recognition for sponsors. We also appreciate this extra support as it helps to offset our event expenses. Every event is different and offers varying exposure for each F&B sponsorship. Prior to each event the Sponsorship Director will offer you an opportunity to sponsor all or part of the F&B expenses for each event. Special signage will be placed in close proximity to the food and beverage table prominently displaying sponsor logos. In addition, the chairperson will give special thanks during the opening and closing remarks. Any F&B Sponsor will also be permitted to distribute company brochures at the event.
