Membership fees may be tax deductible as dues to a professional association, if paid by an individual rather than a company or organization. For more information, go to Join DRIE Toronto.

DRIE Toronto is a non-profit organization with total revenues of less than $40,000 per year.

Meeting Schedule

DRIE meetings are an excellent forum to network with other business continuity, disaster recovery and emergency management planners in an informal and relaxed environment. Meetings are held QUARTERLY, usually on a Tuesday, in the months of March, June, September and December (actual dates dependent on venue availability). The December meeting is followed by a wine and cheese reception that is sponsored by Sungard Availability Services, one of our Gold Sponsors.

Meetings are usually held in the afternoon and feature activities such as speakers, panel discussions and vendor presentations. After each meeting, the presentations are placed on our website with presentations from the most recent meeting accessible to everyone and previous presentations in the File Archive of the Members Area.
